### **Hype, Headlines, and Reality: CEQA Reforms from the Experts**

12:00 PM - 01:00 PM PST

*How will recent changes to CEQA impact our work? What are some potential effects on the communities we call home? Join our AEP Legislative Committee in this \*free\* lunchtime webinar as we discuss these issues and more. We'll aim to provide clarity and support to environmental professionals on the pair of policy reform bills — AB 130 and SB 131 — signed into law in California late last month.*

### **Rural Connex**

12:00 PM - 01:00 PM PST

*Our state is vast and so is the reach of AEP. That's why we are announcing our second meetup series: Rural Connex. After launching our Early Career Meetups in March, we wanted to create another virtual session where members can connect, share, and help solve the challenges they meet in their day-to-day work. This meetup is for members who share the commonality of living and/or working in the non-urban regions and counties of California. Each monthly session consists of unstructured time to bring our different backgrounds and experiences to this same point we share in common: the issues and nuances of the rural corners of our field as environmental professionals. Of course, this meetup is open to any member (but you must be a current member to register).*

*Pricing: Free for AEP Members*
